Your Polish Pottery Story

What is your Polish Pottery story?

How did you discover Polish Pottery?

Send us your story and photos to share with the rest of the Renditions Polish Pottery Registry members.

2009 has been a very exciting year at Renditions Polish Pottery.

In the last three years, we have met so many wonderful people who share our passion for Polish Pottery. And then there are those of you who are new to Polish Pottery, and it is a thrill to introduce and share the Polish Pottery story with you.

Our Polish Pottery story began in 2007 when we started carrying Polish Pottery with the majority of it from the factory Manufaktura. In 2008, we visited Boleslawiec, Poland, for their Fall Ceramics Festival. We fell in love with the pottery, the people, the country and the food. After meeting with the owners of Manufaktura and touring their factory, we chose to partner with them to bring Polish Pottery to the Midwest. We are the exclusive Manufaktura agent in the Midwest. We are pleased and proud to represent the Manufaktura Polish Stoneware Factory.

As the Midwest Representative for Manufaktura, we continually stock a huge supply of patterns and forms. This led us to purchase the two buildings next door for expansion last December. In January, we began renovating the first building and connected through from Renditions to the new space. We moved all of the Polish Pottery from upstairs to the new space in February. The 2009 Spring shipment arrived in March, and the new showroom was soon full of beautiful Polish Pottery. With the 2009 Fall shipment, we expanded into the second building as a warehouse/showroom. Keep your eye on us as the New Year approaches to see what happens next.

We want to thank each of you for your business and loyalty the last few years. We have some special happenings planned for 2010 to show our appreciation.

See you soon and Happy Holidays!

Marilyn & Kristine

Blue Bag Sale

Bring in your Renditions Polish Pottery Blue Bag and receive an additional 10% off.

Yes, that is right. Each time you bring in your Polish Pottery Blue Bag you will receive an additional 10% off your purchases until the end of the year. Even on 2nd Saturday!

Baking in Polish Pottery

All of the Renditions Polish Pottery can be safely used in the microwave, dishwasher and oven. If you haven't yet baked in your Polish Pottery, treat yourself to effortless baking and clean-up. Whatever you are baking will bake evenly and quickly to a beautiful golden brown. And the best part is, you can take it directly from the oven to the table. Cleaning up is a snap due to the properties of the clay and the superior quality of the glaze that Manufaktura has developed. Enjoy!

... News flash ...
