The five-piece place setting includes a dinner plate, salad plate rim soup/pasta bowl, cup & saucer with spoon. Berry'dessert bowl and charger are also available. Dishwasher and microwave safe.

DARD HUNTER was a major influence in the Arts & Crafts Movement that began during the early part of the 20th century. He was largely responsible for the establishment of what might be termed a graphic art "Renaissance" by applying sixteenth century production methods to design and the art of the book.

As a Roycrofter, he began designing many book illustrations, stained glass windows, pottery, jewelry and furniture.

Much of the interest and enthusiasm that artisans today have for the Arts & Crafts Movement reverts to Dard Hunter. For these influential contributions, which have had such an inspiring impact on the graphic arts, he will always be revered.

bobux 

The shoes that stay on!
Great for newborns to toddlers.

Their ankle elastic system has made Bobux so popular--
easy to slip on, but the child cannot take them off!
Suede leather soles provide slip-resistant, flexible protection
while allowing the feet muscles to develop.
