AS ALWAYS AT RENDITIONS . . .

Furniture

Looking for that special piece of furniture for a certain spot in your home or office? Or do you simply want to replace or update your furniture? Come look at our collection from Hile Studio or collaborate with James for a one of a kind piece hand-crafted to your specifications and needs. Either way, you now have a beautiful, affordable heirloom piece.

Stained glass

Not just for windows anymore. Stained glass makes beautiful wall art, room dividers, and curtain valences. Kristine can add stained glass to your existing cabinets and interior doors. Choose from colored and clear textured glass. Let us help you explore the possibilities for art glass in your home.

Stenciling

One way to create interest and excitement in any room of your home is to stencil or do a faux finish on the walls and/or ceiling. Specialty techniques and finishes can be used on walls, ceiling, any furniture, textiles, even windows and many other objects. Marilyn loves this area of work and will help you put together the perfect stencil pattern and colors. She can stencil for you or teach you how to do it yourself. Gather together four or more of your friends and she will teach you a hands-on stenciling class.

SUMMER TIME!

Summer is here and it is time to be outdoors again!

How about adding a beautiful twilight lantern or tea lantern to your deck or patio.

Both come with a candle votive to enhance your evening ambience.

Made of recycled aluminum, these lanterns will never rust. They also look great inside on a mantel or shelf, too!

THESE MAKE GREAT FATHER'S DAY GIFTS!

We have a great selection of unique gifts that are sure to please! Puzzles, magnets, card holder and key tag sets, screen savers and mouse pads, just to name a few!
