WINTER 2009

NEW AT RENDITIONS

In the last eight years, we have met so many wonderful people who share our passion for the Arts & Crafts Movement. And then there are those of you who are new to Arts & Crafts, and it is a thrill to introduce and share the Arts & Crafts story with you.

Always looking for ways to improve and expand our shop, we have made some small changes this past year. Along with the creation of our Arts & Crafts Library and Frank Lloyd Wright Room upstairs, we also have a section that houses textile blanks for tea towels, guest towels, napkins and placemats. You can now stencil or embroider your own textiles for yourself or for gifts.

We have also relocated our classroom for stenciling and embroidery classes upstairs. See winter 2010 Class Schedule on page 2.

Kristine's stained glass studio is nearly finished at 361 Main Street. The walls are painted, the design and cutting table in place and the glass cabinets are filling up with beautiful sheets of glass just waiting to be made into one-of-a-kind pieces for homes, offices or churches. We will be holding stained glass classes there in the new year. Watch for the Renditions Studio Open House invitation coming soon.

We want to thank each of you for your business and loyalty the last few years. We have some special happenings planned for 2010 to show our appreciation.

See you soon and Happy Holidays!
